

We pledge!

# Hunter Family Recycling Manifesto

We promise to make our home a greener place by following our eco-pledges:

- |  |   |
|--|---|
| <p><b>Pledge 1:</b> We pledge to sort out our waste into the correct glass, plastic, paper, metal recycling and compostable bins.</p> <p><i>Did you know</i> that compostable items include fruit and vegetable scraps, tea bags, crushed egg shells and garden trimmings?</p> | <p>Complete?</p> <input type="checkbox"/> |
| <p><b>Pledge 2:</b> We pledge to organise a 'book swap' with friends.</p> <p><i>Did you know</i> that you can save the trees, and some money, by swapping books and magazines instead of buying new ones?</p>  | <input type="checkbox"/>                  |
| <p><b>Pledge 3:</b> We pledge to make a special poster to help us remember all the different recycling symbols.</p> <p><i>Did you know</i> that each type of recyclable material has its own universally-recognisable symbol?</p>  | <input type="checkbox"/>                  |
